

How to Create a WEDOS Global Account

1. Navigate to <https://client.wedos.global>.
2. Click **Create account on WEDOS Global**.
3. Create an account using one of the following options:

Option A: Register Using Social Login

- a. Select a social login option:
 - i. Facebook
 - ii. Twitter / X
 - iii. Google
 - iv. LinkedIn
- b. Log in to the selected service.
- c. Confirm access when prompted.
- d. Once successfully completed, your WEDOS account will be created automatically using the email from the selected service.

Option B: Register Using Email and Password

- a. Enter your **Name, Surname, Email address, Company name (optional)**, and mobile **Phone number**.
 - b. Create a valid **Password**.
 - c. Accept the **Terms and Conditions** and the **Personal Data Declaration**.
 - d. Tick **I'm not a robot**.
 - e. Click **Send**.
 - f. Verify your phone number using the code sent to your mobile phone.
 - i. If you are unable to verify your phone at the moment you can click **Verify Later**, however, you must verify your phone number before logging in.
 - g. Verify your email using the link sent to your email address.
 - h. Once successfully completed, your WEDOS account will be registered and activated.
4. You will now be able to log in to your WEDOS Global account by navigating to <https://client.wedos.global/login> and logging in using your email address and password.
